Acting Chief [REDACTED]

Debriefings

1. In the light of its responsibility for the close, systematic analysis of propaganda bearing on Sino-Soviet bloc domestic affairs, interrelationships, and international policies and tactics, the Radio Propaganda Branch, [REDACTED] 25X1A7b  
[REDACTED] has a strong interest in sending at least one representative to debriefings of U.S. Government diplomats and political officers returning from the USSR and all satellite countries, as well as from Yugoslavia and the Republic of China.

25X1A7b

2. This specialized interest is being reemphasized at this time because [REDACTED] has not given the opportunity to have a representative present at the recent debriefing of Jacob D. Beam, U.S. Ambassador to Poland.
